

ECONOMIC REALITY of MBR

Across the flow spectrum, Enviroquip® MBR Systems by OVIVO are significantly less expensive than the competition.

*Installed cost data gathered from 62 Enviroquip® MBR facilities and 49 competitor MBR facilities

Now OVIVO is taking it further...

ECOBLOX

3% MLSS

Pure O₂

Kubota
Membranes

ECOBLOX™ Benefits Over Conventional MBR Technology

- 25% - 50% Reduction in Overall Facility Footprint
- 25% - 50% Reduction in Construction Cost
- 50% - 70% Reduction in I/O
- Infinite Process Turndown
- Guaranteed Total Energy Consumption at ANY POINT on a Plant's Flow Curve
